Well cared for ranch home with 4 beds and 2.5 bathrooms affords a lot of space indoors and many great updates! This home is truly one floor living if you wish, but you will love the lower level for entertaining as well. Lots of areas for living and entertaining will lend themselves to any style of decorating you wish and include a large living/dining area in beautiful hard wood. The chef's kitchen features granite counter tops and all stainless appliances are included. This home features an enclosed back porch with view of the back yard and gardens as well as easy access to the hot tub. The large and fully enclosed back yard is an oasis to relax including a newer detached he/she shed to make your own! This home has recently updated roof as well as furnace, air conditioning and hot water heater.
