I have been a touring professional since 1985 and have taught many bass and guitar students from Boston, Colorado, New Mexico, North Carolina, Vermont, and Tennessee mentoring both non music reading students to advanced level players, even studio and touring musicians. I have developed a method for any level student based off my 20 years of touring prior to my attending two advanced music colleges. In the late nineties I had the privilege of being in Mark Parson's 52 piece Welsh choir. My lessons cover ear training, timing, finger picking, hybrid flat picking, chord structures, scales, and most importantly, collaborating with others you may know without being dependant on watching their moves! I always encourage students to select two favorite songs to learn. I cover many genres of music leaving you lots of options. Currently, For students I host private one on one lessons via the Zoom Conference app which is free and most colleges use. Students use Zelle through their bank for simple efficient payments. I'm also listed on Google with all 5 star reviews. I have also won editors choice awards for my lyrics and music [acsg1565@gmail.com](mailto:acsg1565@gmail.com) [acousticsslideguitarist65.com](http://acousticsslideguitarist65.com)

There's a bio, samples, references and more

What else you music needs are you can make
